Additionally, your membership helps us expand our outreach and education programs, designed to promote awareness and understanding of wildlife conservation and the importance of protecting natural habitats.

Membership comes with many benefits, including:

- All Members receive our Tracks newsletter, the annual report, eNews with updates on our rehabilitation efforts and successes.
- Invitations to exclusive events, activities and volunteer opportunities.
- The satisfaction of knowing that you are making a meaningful contribution to the welfare of injured and orphaned wildlife.
- Gift shop discounts and promotions.

We offer a range of membership levels (shown below) and your membership will be valid for one year from the date of enrollment, and we will send you a reminder when it is time to renew.
